

West Central Teacher of the Year Nomination Form 2021-2022

Nomination Deadline
4:00pm on February 11th, 2022

Revised January 19, 2022

Teacher of the Year

Outstanding Classroom Teacher Recognition Program

The Selection Process

The Teacher of the Year designation will alternate yearly between the following categories of teachers:

2021-2022	Secondary Teacher	Grades 6-12
2022-2023	Teacher in a Specialty Area	Grades EC-12
2020-2021	Elementary Teacher	Grades JK-5

Students, former students, parents, colleagues, administrators, or members of the general public may nominate teachers. An impartial selection committee comprised of the former teacher of the year, one representative from each area (Elementary, Secondary, and Early Childhood- grade 12 Specialty Teacher), an administrator, and the superintendent selects the *Teacher of the Year* from those nominated through a screening process using specific criteria.

This year's *Teacher of the Year* will be announced on Friday, March 4th, 2022 at the WCEF event. The *Teacher of the Year* will receive gifts from the Hartford/Humboldt communities TBD.

The Nomination Process

Nomination forms are available on the school district website (www.westcentral.k12.sd.us) and all West Central school buildings, and the Administration Office. All nominations must be returned by February 11th, with all supporting materials and documentation, to

West Central Administration Office
Teacher of the Year Selection Committee
PO Box 730, 705 East Second Street
Hartford, SD 57033

The nominator must secure permission of the nominee to enter his/her name for consideration with the knowledge that finalists may be interviewed by members of the selection committee. The nominated teacher must also submit a portion of the nomination form and meet the eligibility requirements outlined below.

If we receive one completed nomination form for a particular teacher, that teacher is considered "nominated" and will be considered for selection for *Teacher of the Year*. The number of nominations received for any teacher has little relevance in the selection process with the first such nomination being considered the governing nomination.

We prefer that nominations be typed or reproduced on a computer or word processor, but we will accept (without prejudice) neatly printed applications. Do not use more space than is permitted by the word limit. Please provide to the selection committee a thoroughly completed nomination packet; incomplete nominations will not be considered after the nomination

deadline. Use specific examples whenever possible in describing the teacher's contributions in each criterion.
