

West Central School District 49-7

PROFESSIONAL STAFF
RETIREE BENEFITS

Retiring employee participants, and/or their participating dependents may purchase a continuation of health insurance benefits.

Retirees must have at least 13 years of service with the West Central School District and have attained the age of 55.

Dependents of eligible retirees will be considered dependents the same as dependents of other employees.

The retired employee will pay the West Central School District the entire cost of this benefit.

Coverage terminates at age 65 or when Medicare eligible. (In the event of Federal law increases the eligibility age for Medicare, the school district will abide by the Federal law requirements.)
