

WEST CENTRAL SCHOOL DISTRICT STUDENT CODE OF CONDUCT

Participation in school activities delivers an opportunity for all students without regard to sex, race, or creed. It is a privilege and honor, not a right, to represent the West Central School District. Interscholastic activities constitute a vital part of the total educational experience a student has while in school. Character, teamwork, poise, self-confidence, leadership, time-management along with the development of physical and emotional health can be attained through participation in activities. These aspects will carry over into all parts of a student's life.

Under a well-administered school program, students and coaches become better citizens through the participation in and observation of activities conducted under the established rules. With this in mind, the West Central Board of Education upon the advice of the administration, coaches, and advisors, has adopted the following Code of Conduct. The Code of Conduct is a year round policy.

Team/Activity Standards:

Each coach/advisor is responsible for his/her respective activity and may impose team/group standards in addition to, but not in conflict with, the Code of Conduct.

School Activities include, but are not limited to any activity sanctioned by the SDHSAA as well as other athletics, band, cheerleading, clubs, drama, color guard, National Honor Society, oral interpretation, orchestra, royalty candidates, student council, vocal, as well as any other student activity, club, or organization. A School Activity is defined as a public presentation, performance, competition, or trip associated with participation in a school activity.

NOTE: ANY student who is disruptive or uncooperative in any West Central activity program may be subject to dismissal from the activity for the remainder of the season. Student misconduct may also include social networking, internet postings, electronic or other forms of communication that negatively represent themselves, their teams, coaches, or West Central. This type of conduct is subject to discipline and/or suspension. Coaches, Activity Director, Principal, and/or Superintendent will handle these violations. In addition, any behavior unbecoming the standards delineated in the student handbook or the West Central policy manual may constitute a violation of the Code of Conduct.

Participation in an Extra-Curricular Activity is Subject to the Following Rules:

Participating in the following 5 major areas or types of conduct any time during the year shall constitute a violation of the Code of Conduct.

1. Use of or possession of chewing tobacco, smoking tobacco, or any nicotine delivery device.

A suspension that is not completed by the student during one activity season shall carry over to the next activity season in which the student participates.

If penalties are not served prior to August 1 of the next school year, the reset will not happen until all penalties are served. The offenses will be capped at 6 during the student's career at West Central. **The student must continue to participate and complete the season to restore eligibility.**

Grade Checks

Grades will be checked approximately every three weeks on Monday morning at 8:30 AM until the end of each Quarter. Quarter grade checks will be done 2 days following the end of the quarter (allows teachers time to post grades). Grade checks will be done on the following days for the 2022-23 school year:

- 1 - Monday, September 12 - In Progress Grade Check
- 2 - Monday, October 3 - In Progress Grade Check
- 3 - Tuesday, October 25 - 1st Quarter Grade Check

If a student is failing any course at a grade check, that student will be put on probation for 1 week. The following Monday the AD will check the students grades (ALL GRADES). If passing all classes, they will be able to continue playing, if one or more failing grades appear, they will be ineligible until the following grade check. Quarter AND Semester grades will determine eligibility for the beginning of the new quarter. (If a student fails 2nd quarter, but passes for the semester, they are still ineligible because of that failing grade for the quarter.)

Those students failing the 4th Quarter or 2nd Semester will be ineligible to compete in the first three weeks of the scheduled activities of the next school year. Upon the first scheduled grade check of the year, the student must be passing all courses to be eligible to compete. If a student has a failing grade at that time, they will remain ineligible or enter their probationary week.

The probationary week can only be utilized by a student once a season; Fall, Winter, and Spring. Probationary weeks cannot be used for Quarter or Semester grades. If a student fails a class for the quarter or the semester they are ineligible for three weeks until the next scheduled grade check.

Students participating in graded activities are responsible for making up activities that are missed during the ineligibility time period. Those makeup activities will be arranged with the coach/ advisor of the group and approved by the Activity Director.

Transfer students' eligibility will be based on the transcript of the sending school.

Middle School Students will follow a weekly Academic Eligibility Check as stated in the Middle School Handbook unless the student is participating with the high school team in which case the above eligibility procedure applies.

Makeup Slips:

Students who utilize the probationary period at any time during the year will automatically be required to obtain makeup slips to leave for school for any reason. The makeup slips require the student to speak to each of their teachers to discuss what they will be missing in class. The following guidelines will be followed:

- Eligibility is determined by grade checks completed by administration.
- Coaches and administration can hold students from activities at their discretion for academic reasons or for failing to complete make-up slips.
- If a teacher thinks a student should miss an activity, communicate that to the coach/ advisor and AD.
